VOLUNTEER RECRUITMENT AND MANAGEMENT

program leaders learned best practices for recruiting and managing volunteers to strengthen their volunteer bases and provide consistently high-quality services to the people they serve.

TEACHING BEYOND TEMPERAMENT

program leaders learned about the critical role temperament plays in a child's social-emotional health and how a caregiver's parenting style and their child's temperament may affect their relationship.

WORKSHOP CURRICULUM: FINANCIAL LITERACY

program leaders began training to provide a high-quality financial literacy workshop to help the people they serve achieve financial stability.

REFLECTIVE SUPERVISION FOR COACHES AND CASE MANAGERS (2)

coaches and case managers gathered to enhance their skills through group dialogue and training.

COLLABORATION AND NETWORKING

program leaders learned how to build meaningful, mission-aligned relationships that are sustainable and ways to meet new community leaders.

COMMUNITY HEALTH OUTREACH ORIENTATION*

program leaders learned how to connect people to free and low-cost services that improve physical health and wellness.

SUPPORTING PEOPLE EXPERIENCING GRIEF AND LOSS

program leaders learned how to provide a safe space for people experiencing grief and loss, respond appropriately and connect them to helpful resources.

AGES AND STAGES (ASQ:SE-2) DEVELOPMENTAL SCREENING*

program leaders were trained to screen young children for social and emotional delays or concerns and connect their parents to appropriate community resources.

PROFESSIONAL COUNSELOR PEER CONSULTATION (3)

professional counselors gather monthly to enhance their skills through group dialogue and training.

*THESE TRAININGS ARE COMPLEMENTED BY TOOLKITS CURATED BY UA'S RESEARCH AND STRATEGY GROUP TO FURTHER EQUIP AND EMPOWER PROGRAM LEADERS TO IMPLEMENT WHAT THEY LEARN.
